

We shall depart from the center of Israel towards the north.

After 1 hour and a half drive we shall reach a magnificent observation point of the lake of Galilee in which we shall have a coffee and cookies and other surprises.

After hearing about the history and geography of the place, we shall ride on special "Ranger" vehicles for a unique tour.

We shall see historical places around the lake of Galilee including the sites connected to Christian history and other unique places unknown even to locals.

We shall have the option to swim in the lake and enjoy the beauty of the wild nature.

After this special activity we shall proceed to the Golan Heights and stop

in one of the memorials for the 1973 Yom Kipur War which is connected to an amazing untold story of the war.

We shall proceed to a local boutique winery and will be able to hear about the wine production in the Golan heights. Here we shall have also our special lunch including tasting of the local wines, cheese and exotic local food.

We shall proceed to see a deserted headquarters of the Syrian army and hear the story of the famous Israeli spy Eli Cohen who visited the Golan Heights and was hanged in Damascus.

We shall wrap up the tour in the observation of the "Valley of Tears" where a major tank battle was held during the 1973 Yom Kipur War.

Return to the hotel.
